NARRATIVE

On 06/17/2013 at about 2312 hours (all times approximate) I was traveling in the area of 10400 Lundeen Parkway (a roundabout), in the city of Lake Stevens, when I came upon a single vehicle in the roundabout blocking the eastbound lane of travel.

I contacted the driver of U-1 who informed me he had been going "too fast" through the roundabout and slid into the curb; damaging the front passenger tire and suspension; making the vehicle inoperable.

The driver was not injured, no other property was damaged and the vehicle was towed from the scene by Granite Falls Towing at the driver's request.

The driver was issued an infraction for speed too fast for conditions resulting in a vehicle collision. When I explained the infraction to the driver, the driver stated he had been "going too fast" and was being "stupid".
